Great Opportunity to Meet All Three NH Care Management Organizations at The Moore Center

The Moore Center and Family Support Council are sponsoring an information night on Tuesday, October 1, 2013. Come and meet representatives from the Care Management Organizations and hear about what their plans can offer you.

This is one of few opportunities to pose your questions directly to the organizations who will be responsible for your healthcare or the healthcare of your family member.

Medicaid Care Management Begins December 1, 2013 for current Medicaid recipients, and enrollment is currently underway.

You have until November 11, 2013 to choose one of three Health Plans.

If you do not choose a Health Plan yourself you will be auto-assigned one and notified by the end of November, so don't miss your opportunity to choose a Health Plan.

Please join us at: The Moore Center

195 McGregor Street, Suite 400
