*The Moore Center Legislative Updates*

## **Thank Our Governor and Legislatures!**

There have been some great successes this budget session with bills being passed in favor of individuals with developmental disabilities and the services they need. This would not have been possible without your continued advocacy to our Governor and Legislature.

To show our thanks, we'd love to deliver some thank you notes to the Governor and leadership of the

Legislature at a signing ceremony or similar event. These letters will be handwritten with just a few sentences on them. They can be from staff, families, and individuals served thanking them for what is important to them: stopping step two of managed care, allocating some funding for the wait list, etc.

If you would like write a thank you note, please address it as "*Dear Governor Sununu and fellow policy makers*". You can mail the letter to **The Moore Center, ATTN: Jillian Clemans at 195 McGregor Street, Suite 400, Manchester, NH 03102**, or email it to [jillian.clemans@moorecenter.org](mailto:jillian.clemans@moorecenter.org). Handwritten letters are best, and if you have any pink paper to write it on, even better! However, if typing/emailing the letter is your best option, please feel free to do so and we will take care of printing it off to deliver with the rest of the notes.

If interested, please have these sent by **Friday, June 15th**.

Thank you!
